TITLE

**Engaging Students in English Learning:
Using Quizizz and ClassPoint for
Interactive Teaching**

Speaker: Marge Joseph Sardo

Date: 19 August @15.30 – 16.15

Presentation Type: Poster

Abstract

This interactive workshop will showcase how Quizizz and ClassPoint can transform English language teaching by making lessons fun, engaging, and effective. Participants will learn to use these tools to gamify their lessons, creating opportunities for students to actively engage with content, practice their English skills, and receive real-time feedback. By the end of the session, teachers will be equipped with practical strategies for using these tools in their classrooms.

Biography

Marge Joseph Sardo is a licensed professional teacher and EdTech specialist currently teaching English in Japan. With a strong focus on gamification and interactive learning, he utilizes tools like Quizizz and ClassPoint to enhance student engagement and learning outcomes. Marge has conducted workshops on integrating technology in education, empowering teachers to create dynamic, student-centered classrooms.
