USING AI IN THE CLASSROOM:

How to make it work for you and your learners

SPEAKER:

JAMES DONAGHY

Abstract

While developments in AI pose new challenges for teachers, this workshop will explore ways that teachers and learners can in fact benefit from it. Besides suggesting some practical ways of dealing with the challenges that AI poses, the workshop will also look at how teachers can harness AI to create classroom activities that are engaging and that facilitate communication.

Biography

I have been teaching English as a foreign language since 2003, in Japan, the UK and now Romania, where I have been based for over 10 years. During my time teaching, I have taught a wide variety of age groups, ranging from pre-school to business and legal English, as well as doing teacher training sessions, both to colleagues at the British Council and to teachers from other schools all across Romania.
