

EdYOUFest Mentoring Academy

Bio:

Dr. Ekaterina Matveeva (h.c.) is the creator of the Language Alter Ego theory and founder of Amolingua and Lingo+. Her work explores how individuals develop new personalities through language learning and cultural immersion, enhancing adaptability in global environments.

With 16+ years of teaching experience, she developed innovative methodologies at Amolingua and later launched Lingo+ to train international school teachers in multilingual and

multicultural education.

Ekaterina is a TEDx speaker and author of the “Meraki” book series on language learning and teaching.
